## Background, Objective, and Audit Scope

---

### Background

The New York State Department of Health (DOH) is the single state agency responsible for the administration of the Medicaid program. As part of its responsibility as an independent entity within DOH, the Office of the Medicaid Inspector General (OMIG) conducts audits and reviews of various providers of Medicaid reimbursable services, equipment, and supplies. These audits and reviews are directed at assessing provider compliance with applicable laws, regulations, rules, and policies of the Medicaid program as set forth in New York Public Health Law, New York Social Services Law, the regulations of DOH (Titles 10 and 18 of the New York Codes Rules and Regulations), the regulations of the Office of Mental Hygiene (Title 14 of the New York Codes Rules and Regulations), DOH's Medicaid Provider Manuals and *Medicaid Update* publications.

The OMIG performed an audit of Medicaid fee-for-service Durable Medical Equipment (DME) and Pharmacy claims and has determined that you submitted duplicate claims for the same recipient on the same date of service, through both a Medicare Crossover claim and a claim billed directly to Medicaid.

### Objective

The objective of this audit was to assess the Provider's adherence to applicable laws, regulations, rules, and policies governing the New York State Medicaid program and to:

- recover duplicate Durable Medical Equipment (DME) claims paid for the same recipient and date of service; and
- recover duplicate Pharmacy claims paid for the same recipient and date of service.

### Audit Scope

An audit of Medicaid Durable Medical Equipment (DME) and Pharmacy claims paid by Medicaid for payment dates included in the period beginning June 1, 2016 through December 31, 2019 was completed.

*Please note that due to the implementation of the National Provider Identifier (NPI) on September 1, 2008, there may be multiple Provider Identification Numbers associated with the Primary Provider Identification Number. The NPI is linked to the Primary Provider Identification Number. The Primary Provider Identification Number is used for correspondence and recoupment.*

## Audit Findings

---

OMIG issued a Draft Audit Report to the Provider on May 19, 2022 that identified \$592.79 in Medicaid overpayments. The Provider did not respond to the Draft Audit Report. As a result, the overpayments identified in this Final Audit Report remain unchanged from those cited in the Draft Audit Report.

One or more of the following audit criteria resulted in an audit finding and overpayment determination, as outlined below and in the enclosed exhibits.

In accordance with 18 NYCRR Section 518.4, interest may be collected on any overpayments identified in this audit and will accrue at the current rate from the date of the overpayment. Interest on the overpayments identified in this Final Audit Report was calculated from the date of each overpayment through the date of the Draft Audit Report, using the Federal Reserve Prime Rate. For the overpayments identified in this audit, OMIG has determined that accrued interest of **\$64.14** Exhibits A & B) is now owed.

Based on this determination, the total proposed amount due to DOH, as defined in 18 NYCRR Section 518.1, is **\$592.79** (Exhibits A & B), including interest to date.
